

Start making huge childcare savings

save up to

£1,195

with the tax-free childcareplus scheme

What is childcare-plus?

Childcare-plus is a government approved employee benefit that allows you to receive part of your salary free of tax and National Insurance – so it saves you money.

How much can I save?

The amount you save depends on how much tax and National Insurance you pay. Typical savings are between £915 and £1,195 per year. You can even order as little as £10.
